MANAGEMENT

The onset of Sam's acting career as a teenager saw her receive multiple awards in acting. Placing 2nd for "Best Monologue" and "Best Overall Performance" in state acting conventions. Progressing further, actress Sam was selected out of hundreds of hopeful performers to travel to Los Angeles for an international talent convention. Here she Truly exposed herself to the challenging industry in its own place of origin whilst excelling her talent on an international level of excellence.

Sam is an exceptionally versatile actor and performer, capable of adapting to any acting role from securing her latest contract as a TV Presenter and main host for an upcoming kids/teens TV Series, to portraying deep, complex and emotional characters for your next film whilst moving across to Peter Pan, Beauty and the Beast, Grease and a plethora more in theatre. Encompassing an unlimited passion for both acting and directing, Sam is relentlessly involved in stage and theatre performances as well as film roles and projects.

Radiating with endless positive energy, Sam has a natural and warm personality that draws people to her. With a professionalism that projects a reassuring calmness everywhere she goes as she constantly applies her strong work ethic in all she does. Starting as a performer at young age, Sam has undergone copious amounts of acting training, not only advancing her skills as an actress but developing her own personal skills and experience proving instrumental for a successful career in the entertainment industry as we know it today.

Yes, Sam devotes her life to her acting dream, although she also makes sure to take time to give back to the world through volunteering at the Food Bank and other charities and caring for animals.

Sam is your all round talented Actor and a beautiful, gifted young lady.
